Read only the bordered words when asked. Keep your packet facing you. After answering, ask an unheard guest their question from the previous page.

IF INNOCENT

> Original contents. I sent the seller's complete attachment to intake before the gala. The auctioneer can ask for it there. Grant called the liquid inert; I repeated him. Yes, that was convenient for me. Elon, your purchase files stay closed tonight. I know exactly what opening them in this room would do to my business. You can have them through my attorney. And don't mistake a withdrawn refund demand for forgiveness. I haven't forgiven him either.

IF MURDERER

> Before the loan, the original-contents condition was canceled. The seller was to empty the bottle and replace the liquid with an inert substitute. Grant's declaration described that delivery. Intake had the earlier attachment. I altered the bowl file; I have admitted that. The bottle was a separate purchase with changed instructions. The auctioneer, please save your condolences. I know what your expression means.
