

Print. Cut. Seal separately.

Print single-sided at 100%, face down. Cover exposed pages. Ask a non-playing helper if your printer exposes text.

Each guest: four consecutive play pages, their same-name A/B pair in a closed EVIDENCE envelope, and one FINALE page sealed in a separate named envelope. The finale never sits loose in the play packet.

Evidence sheet 01 belongs to character 01, through sheet 30 for character 30. Cut both full-width rectangles. Keep A and B together. Letters do not identify guilt.

The combined finale file is for blind printing only. Seal each page separately by name and ID. Do not send the whole file to guests.

Hide discoveries 1–16. Keep F1–F5 in order. Release F1–F2 at death, F3–F4 before Hearing 2, F5 before Hearing 3.
