

The gala hearings

1 / Motive

What did Grant Larceny do that made you angry, worried or desperate?

2 / Whereabouts

Where were you from 6:40 to 6:49, and who or what can verify your account?

3 / Evidence

Read your submitted evidence card aloud. Does it confirm your account or contradict it?

How to take your turn

The guest before you asks your question. Read only your selected speech box. Then ask the same question of the next occupied seat. The facilitator ticks every guest. Reading is enough; acting is optional.

Suspect / motive
