

Chip Patina

Chief Conservator

Chip considers a fingerprint on a display case a personal attack. Chip is responsible for keeping centuries-old objects from losing arguments with humidity, fingerprints, gravity, and other people. Patient with objects and less patient with humans, he has the calm authority of someone who has seen a priceless painting survive a flood and a donor nearly destroy one with hand lotion. He knows what was repaired, altered, cleaned, and quietly worried over before tonight.

- Works closely with Claire O'Scuro and Cary Crates.
- Often spars intellectually with Art E. Fact over what conservation can and cannot prove.
- Anya Tique trusts Chip's judgment more than most committees.

ACTING TIPS

Dry, meticulous, tactile, slightly territorial. You care more about what is physically true than what is socially convenient.

COSTUME SUGGESTIONS
