

# Tess Tament

Philanthropist & Heir to the Larceny Family Fortune

Tess speaks fluent inheritance and has strong opinions about the seating plan. Tess is the only member of the Larceny dynasty who can attend an arts gala without immediately being asked for a check, mostly because everyone waits several minutes first. She is stylish, socially fluent, and harder to read than her public image suggests. She funds young artists, hates being introduced as an heiress, and has learned to smile through questions about her family.

- Moves in the same collector circle as Elon Mosaic and Ella Gance.
- Has commissioned work from Dada DiCapo.
- Anya Tique has known Tess since childhood and refuses to be impressed by her surname.

## ACTING TIPS

Composed, witty, guarded, generous when she chooses. You grew up around power and recognize its rituals instantly.

## COSTUME SUGGESTIONS

Optional inspiration: Modern gala glamour: elegant cocktail dress or formal suit, statement jewelry, designer-looking clutch, effortless rather than ostentatious.
