

Barb Dwyer

Director of Museum Security & Former Art-Crimes Investigator

Barb has already assessed which guests could fit through the air vents. Barb spent years investigating stolen art before discovering that museums contain nearly as much intrigue with better climate control. He is calm, observant, and difficult to surprise. He notices open doors, blocked sight lines, unattended bags, and people who suddenly become interested in exits. Tonight he would prefer everyone simply enjoy the exhibition, which means they almost certainly will not.

- Coordinates closely with Artie Ficial and Chip Patina.
- Frequently clashes with Paige Turner over access and with Robin Banks over protest tactics.
- Minnie Malist keeps changing layouts after Barb has already approved them.

ACTING TIPS

Low-key, skeptical, dry, watchful. Ask where people were and remember their answers.

COSTUME SUGGESTIONS

Optional inspiration: Dark suit, discreet earpiece prop if desired, security-style watch, small notebook. A senior museum security look could work well.
