Murder Mystery

Dinner Party 2026

Dr. Art E. Fact

The Meridian Museum

October 30, 2026 / Private player packet / 1 of 12

Dr. Art E. Fact

Professor of Art History & Provenance Scholar

Art has never met a footnote he could not lengthen. Art has built a career tracing the lives of objects through wars, estates, auctions, private collections, and suspicious gaps in paperwork.

- Supervises **Reed DeLabel**'s doctoral research and sends drafts back covered in notes.
- Secretly infatuated with the enigmatic energy of **Dada DiCapo**. Will she notice him?
- Trusts only **Chip Patina** to say when the physical evidence contradicts Art's theory.

ACTING TIPS

Intense, professorial, curious, occasionally pedantic, sincerely excited by evidence.

YOUR INTRODUCTION / READ THE BOX ALOUD

> I'm Dr. Art E. Fact. I bring decades of scholarship and a footnote for almost every possible dinner conversation. Looking forward to intellectual discussions tonight!

Continue to your private briefing on page 3. Keep the packet facing you.

Behind the portrait

Your stake tonight

Infatuation with Dada makes public intellectual humiliation feel especially unbearable.

During the investigation

Keep your account private until each round. Your printed answers establish what happened. You can react in your own style, but do not invent a new event, witness, or alibi.

Conversations to start

- Mingle using the relationships on your introduction page.
- Keep your private branch readings for their announced rounds.

One attending guest committed the murder alone. Follow your printed account during the hearings. If a named guest is absent, speak to someone else.

By now, you should have drawn a secret animal. Memorize it and don't share it with anyone. This animal is YOUR key to knowing whether you are the murderer or innocent tonight. This will tell you which sections of this packet you can read out loud.

The game is afoot

The Meridian Museum has its share of secrets, rumors, and lost paperwork. Sixteen numbered envelopes are hidden around the museum. Their contents may significantly help you tonight. These 3 hints lead to 3 different hiding places. If you find an envelope, bring it to your seat at the table. The guest with the most envelopes will win a special prize. You may investigate together.

1 *Your reflection cannot look up far enough to see what rests on the mirror.*

2 *Look behind a painting rather than into its scenery.*

3 *The household's Bible has received a very unofficial insert.*

Wait for the host to announce the next round.

Your answer

Read only the bordered words when asked. Keep your packet facing you. After answering, ask an unheard guest their question from the previous page.

IF INNOCENT

> Reed found a gap in my ownership citation. Grant found it inconvenient, which is not a scholarly objection. I asked to hold the earlier press copies; he wanted my name on them before the correction. Dada was here. I had hoped to discuss something rather more impressive with her. A ridiculous concern, given the size of the actual error. Still, there it is.

IF MURDERER

> Reed found a gap in my ownership citation. Grant could expose it whenever I withdrew authority from his catalog. I asked to hold the earlier press copies; he wanted them circulating first. Dada was here. I had imagined a rather different conversation with her. Grant was going to make sure my most attentive audience heard about the error before anything else.

Your answer

Read only the bordered words when asked. Keep your packet facing you. After answering, ask an unheard guest their question from the previous page.

IF INNOCENT

I asked Reed to hold the early press version and restore the purchase attachment. It concerned the bottle. My draft said inert; the attachment required original contents. I left both in the working file with a query. I attended the preview. Reed, I know how often I have told you to pursue a discrepancy. I was distressingly satisfied with writing one in the margin.

IF MURDERER

I asked Reed to restore the purchase attachment. My draft used the inert description; a query remained beside it. I attended the preview. Grant wanted me to explain the collection during his toast. I went to his place to object to that introduction. Nobody there. A glass and the speech card with my name on it. I turned the card over and left. Petty, yes. I have apparently reached the stage of my career where I take revenge on stationery.

Artie Ficial / Monet Bags / Sue Venir

What happened to the toast and the announcement?

Vincent Van Faux / Elon Mosaic / Penny Pincher

What do you know about the bottle, pictures, or technology you brought tonight?

Frank Lloyd Wrong / Elle Loominate / Al Baster / Anne E. Dote

Could the work or the tour have hidden what happened?

Paige Turner / Mona Lott / Robin Banks / Justin Tyme

What part of the story have your sources left out?

Dada DiCapo / Barb Dwyer / Brie DeVivre / Cary Crates

What did people actually see, hear, and drink?

Your speaking box is on page 10. Turn only within this act.

Dr. Art E. Fact

Your answer

Read only the bordered words when asked. Keep your packet facing you. After answering, ask an unheard guest their question from the previous page.

IF INNOCENT

I wrote that query before the gala. I quoted original contents and asked how that agreed with inert. Intake replied unanswered; keep closed. I let the comfortable caption continue. Reed, you may say that was poor scholarship. Dada, I would rather you hadn't heard any of this. That is about the least useful thought I have had this evening.

IF MURDERER

I had not read the purchase condition before the gala. My query concerned the object's history. The loan description was my source; the dealer attachment was outside my research then. My ownership citation was poor. Reed, you may say that. Dada, I would rather you hadn't heard any of this. I have become very foolish about who is listening.

The shared discoveries and reports remain at the Evidence Table.

The last word

Read only when the host calls you. Top three suspects read first. Use your own role's box; keep every other word private.

IF INNOCENT / READ ALOUD WHEN CALLED

I did not kill Grant. My dated query quotes the contents condition; intake answered that it remained unresolved. I let the entry proceed. Reed, your finding deserves your name. Dada, the invitation to dinner I kept disguising as a discussion of your work was an invitation to dinner. You need not answer it tonight. I am trying to say one thing without a footnote.

IF MURDERER / READ ALOUD WHEN CALLED

I had read the condition. My own query quotes it. I denied that knowledge because it explained why I knew the bottle might still hold its original contents. I took the poison during the preview and used it in Grant's private glass. The ownership correction was not going to stop him circulating my mistake. I decided to stop him instead. I have spent a career distinguishing an object from the story sold with it. Dada, you need not explain your work to me. Reed, you need never seek my approval. I have used my knowledge for the smallest possible purpose.

Every selected suspect gets their final word.
