Murder Mystery

Dinner Party 2026

Al Baster

The Meridian Museum

October 30, 2026 / Private player packet / 1 of 12

Al Baster

Sculptor & Public-Art Star

Al considers a pedestal a sculpture that has given up on itself. Al makes monumental sculpture in stone, steel, and whatever else can require a crane.

• **Frank Lloyd Wrong** designed the entrance around Al's sculpture. They still disagree about which one visitors came to see.

• Competes with **Vincent Van Faux** for commissions. Al keeps calculating how many paintings weigh as much as one sculpture.

• **Dada DiCapo** once performed inside one of Al's sculptures. Al found out from the photographs.

ACTING TIPS

Big presence, playful arrogance, generous when admired, combative when minimized.

YOUR INTRODUCTION / READ THE BOX ALOUD

> I'm Al Baster. I made the entrance sculpture. I would appreciate your admiration in a tone that suggests prompt payment.

Continue to your private briefing on page 3. Keep the packet facing you.

Behind the portrait

Your stake tonight

Caring for an aging parent makes unpaid work a threat to home life, not just professional pride.

During the investigation

Keep your account private until each round. Your printed answers establish what happened. You can react in your own style, but do not invent a new event, witness, or alibi.

Conversations to start

- Mingle using the relationships on your introduction page.
- Keep your private branch readings for their announced rounds.

One attending guest committed the murder alone. Follow your printed account during the hearings. If a named guest is absent, speak to someone else.

By now, you should have drawn a secret animal. Memorize it and don't share it with anyone. This animal is YOUR key to knowing whether you are the murderer or innocent tonight. This will tell you which sections of this packet you can read out loud.

The game is afoot

The Meridian Museum has its share of secrets, rumors, and lost paperwork. Sixteen numbered envelopes are hidden around the museum. Their contents may significantly help you tonight. These 3 hints lead to 3 different hiding places. If you find an envelope, bring it to your seat at the table. The guest with the most envelopes will win a special prize. You may investigate together.

1 *Find the frame that always contains a portrait of you; check its top.*

2 *A wall-hung painting has a backstage area. That is where to investigate.*

3 *A blue cushion has been acting as a very quiet accomplice. Check its reverse.*

STOP **STOP! Do not turn the page yet.**
Wait for the host to announce the next round.

Your answer

Read only the bordered words when asked. Keep your packet facing you. After answering, ask an unheard guest their question from the previous page.

IF INNOCENT

> Cold-cast resin with metal powder. That's the piece. Publicity said solid bronze; I let it stand too long. Grant wanted the same size, a lower price, and his name bigger. My last installment was due. I've got somebody at home who needs help getting up the stairs. A donor congratulating me on the honor of a commission doesn't pay the person staying with them tonight.

IF MURDERER

> Cold-cast resin with metal powder. Publicity said solid bronze; I let it stand. Grant could expose the difference, cut my final payment, and make his name bigger than mine. I've got somebody at home who needs help getting up the stairs. He enjoyed discussing how grateful I ought to be for a commission while he held the money I needed from it.

Your answer

Read only the bordered words when asked. Keep your packet facing you. After answering, ask an unheard guest their question from the previous page.

IF INNOCENT

I refused a replacement and crossed out solid bronze. Frank shut the alcove while I argued over credit. Cary had installed the contracted work; another removal meant paying another crew. I said reopen with the true label or explain the closed door. I said it badly. Cary, you've heard worse from me. I wish that excused anything.

IF MURDERER

I refused a replacement and crossed out solid bronze. Frank closed the alcove; Cary had already installed the contracted piece. After the bottle preview I went looking for Grant about my last payment. His private glass was set out. I sat beside it. Nobody came, so I left. I wasn't paying another crew to make him a second sculpture for free. Cary, you can move a heavy thing out of somebody's way. I couldn't move that man.

Your answer

Read only the bordered words when asked. Keep your packet facing you. After answering, ask an unheard guest their question from the previous page.

IF INNOCENT

> Bronze powder in resin. Gold transfer leaf. That's what I used; the sample is on the job card. The glass scrap was red paper with a silver back. The panel now says cold-cast resin and keeps my name. Can somebody tell me when we're allowed to call home? I need to know somebody is still there with mine.

IF MURDERER

> That red scrap recovered from his glass came off my sculpture. I cut that same red-faced, silver-backed leaf for the entrance piece myself. It travels when you work with it. It wasn't bottle paper. Yes, I corrected the label. Can somebody tell me when we're allowed to call home? Someone there has been waiting for me all evening. I can't keep answering for every scrap while they wonder where I am.

The shared discoveries and reports remain at the Evidence Table.

The last word

Read only when the host calls you. Top three suspects read first. Use your own role's box; keep every other word private.

IF INNOCENT / READ ALOUD WHEN CALLED

I did not kill Grant. The contract bought resin, and the corrected label says resin. My sample is gold leaf; the glass scrap is foil-backed red paper. The reduced settlement cost me. Cary, thanks for not pretending it was bronze while you moved it. I owe an explanation for letting that description stand. First I want to call home. Someone there has been waiting all evening for me.

IF MURDERER / READ ALOUD WHEN CALLED

I killed Grant. The fragment was foil-backed paper, not my accent leaf. The sample card made my material story untenable. I had opened the loan bottle during the preview and later used its poison in his glass. I pointed you toward sculpture debris because I didn't want that scrap considered with the damaged closure. It wasn't a unique match, but it wasn't my finish either. Grant could make the publicity fraud the whole story of my work. Somebody at home will be waiting for me. I kept telling myself what they needed justified what I did. They never asked me to bring this into their life.

Every selected suspect gets their final word.
