Your grievance with Grant

Grant had learned that one certificate in a major private sale you brokered was forged before it ever reached you. He planned to imply publicly that you had created it unless you refunded him millions.

Your other secret

You were duped on that sale, but you quietly altered your own file afterward so clients would not see how badly your due diligence failed.

Three things to try before dinner

1. Introduce yourself to someone you do not already know. Your role and pre-party sheet are enough.
2. Learn whether Saul knows about the disputed certificate.
3. Keep Elon from discussing the 'auction incident' in public.

When a named contact is absent, discuss that issue with any guest. No task blocks the investigation.

Private background can be shared or withheld. Later hearings tell you exactly what must be said. No crime confession is printed in these four play pages.

Round 1 / Motive

When questioned, read your answer. It is the same whether you are innocent or the murderer.

READ ALOUD / YOUR ANSWER

A sale certificate was forged before it reached me. Grant knew that, but he planned to blame me unless I refunded millions. I did not forge it. I did alter my file afterward to hide how badly my checks had failed.

Your next action

Ask the next seated guest their named Motive question in the question catalog. Note one grievance that might matter. Wait for the host before turning the page.

Round 2 / Opportunity

When questioned, read the answer for your role. Keep the section labels to yourself.

IF INNOCENT

I went into the Donor Salon at 6:46, delivering a revised appraisal. I borrowed the cabinet key during setup to inspect the replica-decanter treatment sheet stored inside.

IF MURDERER

I went into the Donor Salon at 6:46, delivering a revised appraisal. I borrowed the cabinet key during setup to inspect the replica-decanter treatment sheet stored inside.

After answering, ask the next seated guest their named Opportunity question in the catalog. Wait for the host before turning the page.

Round 3 / Method

Open your EVIDENCE envelope. Choose privately: IF INNOCENT = Card B; IF MURDERER = Card A. Submit only that letter. Keep the unused card hidden. Do not choose according to what looks safer.

When questioned, read your answer below, then your selected receipt. Leave the unused card hidden.

IF INNOCENT

I carried blue disposable paper wipes, for polishing a replica decanter for photographs. That was what the materials desk issued me.

IF MURDERER

I carried a white linen cloth with a gold seam, for polishing a replica decanter for photographs. That was what the materials desk issued me.

Put the read receipt on the Evidence Table. Discuss, then vote privately. The host will distribute FINALE envelopes only after collecting all ballots.
