Your grievance with Grant

Grant told you he intended to rewrite the family trust tonight, removing you from control of the charitable foundation unless you publicly backed his museum naming plan.

Your other secret

You have been quietly organizing other family trustees to block Grant's control over the foundation and redirect future giving toward worker and community programs.

Three things to try before dinner

1. Introduce yourself to someone you do not already know. Your role and pre-party sheet are enough.
2. Find out whether Anya would publicly oppose renaming the museum.
3. Gauge Artie's willingness to reject Grant's conditions.

When a named contact is absent, discuss that issue with any guest. No task blocks the investigation.

Private background can be shared or withheld. Later hearings tell you exactly what must be said. No crime confession is printed in these four play pages.

Round 1 / Motive

When questioned, read your answer. It is the same whether you are innocent or the murderer.

READ ALOUD / YOUR ANSWER

Grant intended to rewrite the family trust tonight. Unless I backed his museum naming plan in public, I would lose control of the charitable foundation. He called it protecting the family. It felt rather more like purchasing my applause.

Your next action

Ask the next seated guest their named Motive question in the question catalog. Note one grievance that might matter. Wait for the host before turning the page.

Round 2 / Opportunity

When questioned, read the answer for your role. Keep the section labels to yourself.

IF INNOCENT

I went into the Donor Salon at 6:36, discussing the family trust. I did not go back after that. I borrowed the cabinet key during setup to inspect the foundation's donated treatment samples stored inside.

IF MURDERER

I went into the Donor Salon at 6:43, discussing the family trust. I borrowed the cabinet key during setup to inspect the foundation's donated treatment samples stored inside.

After answering, ask the next seated guest their named Opportunity question in the catalog. Wait for the host before turning the page.

Round 3 / Method

Open your EVIDENCE envelope. Choose privately: IF INNOCENT = Card A; IF MURDERER = Card B. Submit only that letter. Keep the unused card hidden. Do not choose according to what looks safer.

When questioned, read your answer below, then your selected receipt. Leave the unused card hidden.

IF INNOCENT

I carried a white linen cloth with a gold seam, for wiping cordial off the edge of my folder. That was what the materials desk issued me.

IF MURDERER

I carried a white linen cloth with a gold seam, for wiping cordial off the edge of my folder. That was what the materials desk issued me.

Put the read receipt on the Evidence Table. Discuss, then vote privately. The host will distribute FINALE envelopes only after collecting all ballots.
