

Mona Lott

Your grievance with Grant

Grant intended to announce that the Star Bowl would become a permanent Meridian holding, undermining months of quiet restitution negotiations and publicly humiliating the international partners you represent.

Your other secret

You leaked the existence of the restitution talks to selected journalists to pressure Grant, even though the negotiations were supposed to remain confidential.

Three things to try before dinner

1. Introduce yourself to someone you do not already know. Your role and pre-party sheet are enough.
2. Find out whether Paige knows you were the leak.
3. Get Sue to acknowledge that the legal risk is real.

When a named contact is absent, discuss that issue with any guest. No task blocks the investigation.

Private background can be shared or withheld. Later hearings tell you exactly what must be said. No crime confession is printed in these four play pages.

Round 1 / Motive

When questioned, read your answer. It is the same whether you are innocent or the murderer.

READ ALOUD / YOUR ANSWER

Grant intended to make the Star Bowl a permanent Meridian holding. That would destroy months of restitution negotiations and humiliate the international partners I represent. He wanted an announcement before anybody could challenge his claim. I wanted him to stop.

Your next action

Ask the next seated guest their named Motive question in the question catalog. Note one grievance that might matter. Wait for the host before turning the page.

Round 2 / Opportunity

When questioned, read the answer for your role. Keep the section labels to yourself.

IF INNOCENT

I went into the Donor Salon at 6:44, delivering the restitution memorandum. I visited the conservation display, reading the object-treatment label, but did not borrow the cabinet key.

IF MURDERER

I went into the Donor Salon at 6:44, delivering the restitution memorandum. I borrowed the cabinet key during setup to inspect the loan-object treatment record stored inside.

After answering, ask the next seated guest their named Opportunity question in the catalog. Wait for the host before turning the page.

Round 3 / Method

Open your EVIDENCE envelope. Choose privately: IF INNOCENT = Card A; IF MURDERER = Card B. Submit only that letter. Keep the unused card hidden. Do not choose according to what looks safer.

When questioned, read your answer below, then your selected receipt. Leave the unused card hidden.

IF INNOCENT

I carried a white linen cloth with a gold seam, for dusting the travel case for a loan object. That was what the materials desk issued me.

IF MURDERER

I carried a white linen cloth with a gold seam, for dusting the travel case for a loan object. That was what the materials desk issued me.

Put the read receipt on the Evidence Table. Discuss, then vote privately. The host will distribute FINALE envelopes only after collecting all ballots.
