

Reed DeLabel

Your grievance with Grant

You found an archival document that contradicted the Star Bowl label. Grant told your department your fellowship could disappear if you pushed it.

Your other secret

You have not yet told Art that your discovery also undermines one sentence in his published research.

Three things to try before dinner

1. Introduce yourself to someone you do not already know. Your role and pre-party sheet are enough.
2. Protect your private complication until you decide disclosure helps you.
3. Use your public relationships to trade information rather than waiting for clues to come to you.

When a named contact is absent, discuss that issue with any guest. No task blocks the investigation.

Private background can be shared or withheld. Later hearings tell you exactly what must be said. No crime confession is printed in these four play pages.

Round 1 / Motive

When questioned, read your answer. It is the same whether you are innocent or the murderer.

READ ALOUD / YOUR ANSWER

An archival document contradicted the Star Bowl label. I found it. Grant told my department my fellowship could disappear if I pushed the issue. I could lose the position I worked for simply by insisting that our label tell the truth.

Your next action

Ask the next seated guest their named Motive question in the question catalog. Note one grievance that might matter. Wait for the host before turning the page.

Round 2 / Opportunity

When questioned, read the answer for your role. Keep the section labels to yourself.

IF INNOCENT

I went into the Donor Salon at 6:36, showing him the archival correction. I did not go back after that. I visited the conservation display, reading a conservation label, but did not borrow the cabinet key.

IF MURDERER

I went into the Donor Salon at 6:36, showing him the archival correction. I did not go back after that. I visited the conservation display, reading a conservation label, but did not borrow the cabinet key.

After answering, ask the next seated guest their named Opportunity question in the catalog. Wait for the host before turning the page.

Round 3 / Method

Open your EVIDENCE envelope. Choose privately: IF INNOCENT = Card B; IF MURDERER = Card A. Submit only that letter. Keep the unused card hidden. Do not choose according to what looks safer.

When questioned, read your answer below, then your selected receipt. Leave the unused card hidden.

IF INNOCENT

I carried a white linen cloth with a gold seam, for dusting a label holder. That was what the materials desk issued me.

IF MURDERER

I carried a white linen cloth with a gold seam, for dusting a label holder. That was what the materials desk issued me.

Put the read receipt on the Evidence Table. Discuss, then vote privately. The host will distribute FINALE envelopes only after collecting all ballots.
