Your grievance with Grant

Grant planned to replace your commissioned entrance sculpture with a cheaper replica after the opening and dispute your final payment.

Your other secret

You built one internal support differently from the approved plan because the fabricator missed a deadline.

Three things to try before dinner

1. Introduce yourself to someone you do not already know. Your role and pre-party sheet are enough.
2. Protect your private complication until you decide disclosure helps you.
3. Use your public relationships to trade information rather than waiting for clues to come to you.

When a named contact is absent, discuss that issue with any guest. No task blocks the investigation.

Private background can be shared or withheld. Later hearings tell you exactly what must be said. No crime confession is printed in these four play pages.

Round 1 / Motive

When questioned, read your answer. It is the same whether you are innocent or the murderer.

READ ALOUD / YOUR ANSWER

Grant wanted to replace my commissioned entrance sculpture with a cheaper replica after opening night and dispute my final payment. He would still have the photographs of my work at his gala. I would have the invoice and an empty plinth.

Your next action

Ask the next seated guest their named Motive question in the question catalog. Note one grievance that might matter. Wait for the host before turning the page.

Round 2 / Opportunity

When questioned, read the answer for your role. Keep the section labels to yourself.

IF INNOCENT

I went into the Donor Salon at 6:36, discussing the entrance sculpture. I did not go back after that. I borrowed the cabinet key during setup to inspect the resin sample stored inside.

IF MURDERER

I went into the Donor Salon at 6:36, discussing the entrance sculpture. I did not go back after that. I borrowed the cabinet key during setup to inspect the resin sample stored inside.

After answering, ask the next seated guest their named Opportunity question in the catalog. Wait for the host before turning the page.

Round 3 / Method

Open your EVIDENCE envelope. Choose privately: IF INNOCENT = Card A; IF MURDERER = Card B. Submit only that letter. Keep the unused card hidden. Do not choose according to what looks safer.

When questioned, read your answer below, then your selected receipt. Leave the unused card hidden.

IF INNOCENT

I carried blue disposable paper wipes, for wiping a sculpture support. That was what the materials desk issued me.

IF MURDERER

I carried blue disposable paper wipes, for wiping a sculpture support. That was what the materials desk issued me.

Put the read receipt on the Evidence Table. Discuss, then vote privately. The host will distribute FINALE envelopes only after collecting all ballots.
