

Murder Mystery

Dinner Party 2026

Hugh Bidder

The Meridian Museum

October 30, 2026 / Private player packet / 1 of 12

INTRODUCTIONS

Hugh Bidder

International Art Dealer & Collector Liaison

Hugh insists everything is priceless, right up until he names a price. Hugh is the person wealthy collectors call when they want something no one else seems able to find.

- Buys art for **Elon Mosaic**. **Elon** likes to pretend he found it himself. Hugh doesn't mind.
- **Penny Pincher** asks Hugh for auction previews, then argues with every estimate. He hates dealing with her.
- Keeps offering to represent **Vincent Van Faux**. **Vincent** wants to discuss the commission before the paintings.

ACTING TIPS

Smooth, suave, sociable, opportunistic, impossible to embarrass. Treat every conversation like a deal that has not yet revealed itself. You're the coolest guy in the room and you know it.

YOUR INTRODUCTION / READ THE BOX ALOUD

I'm Hugh Bidder. Everything has a price. My charming conversation is the only exception, and even that is negotiable.

Continue to your private briefing on page 3. Keep the packet facing you.

Behind the portrait

Your grievance with Grant

Grant had learned that one certificate in a major private sale you brokered was forged before it ever reached you. He planned to imply publicly that you had created it unless you refunded him millions.

Your other secret

You were duped on that sale, but you quietly altered your own file afterward so clients would not see how badly your due diligence failed.

Conversations to start

- Learn whether Saul D. Bid knows about the disputed certificate.
- Keep Elon Mosaic from discussing the 'auction incident' in public.

One attending guest committed the murder alone. Follow your printed account during the hearings. If a named guest is absent, speak to someone else.

By now, you should have drawn a secret animal. Memorize it and don't share it with anyone. This animal is YOUR key to knowing whether you are the murderer or innocent tonight. This will tell you which sections of this packet you can read out loud.

The game is afoot

The Meridian Museum has its share of secrets, rumors, and lost paperwork. Sixteen numbered envelopes are hidden around the museum. Their contents may significantly help you tonight. These 3 hints lead to 3 different hiding places. If you find an envelope, bring it to your seat at the table. The guest with the most envelopes will win a special prize. You may investigate together.

- 1 *A seat with a cold metallic skeleton keeps its secret underneath.*
- 2 *A little door hides shelves and, tonight, a secret.*
- 3 *A book beginning with creation has a secret between its pages.*

Your answer

Read only the bordered words when asked. Keep your packet facing you.
After answering, ask an unheard guest their question from the previous page.

IF INNOCENT

The certificate was forged before it reached me. I then altered my file to hide how badly I had been fooled. Grant intended to call that a forgery of my own unless I refunded millions. My professional judgment was poor. His price for keeping quiet was excellent, for him. I first entered at 6:29, delayed by a dispute over a reserve price.

IF MURDERER

I altered my file after discovering the certificate was false. Grant wanted millions back and a public admission that I had created the forgery. He knew that wasn't true. He preferred an expensive villain to a complicated transaction, especially when he could make the villain pay twice. I first entered at 6:17, delayed by a dispute over a reserve price.

Hugh Bidder

Your answer

Read only the bordered words when asked. Keep your packet facing you.
After answering, ask an unheard guest their question from the previous page.

IF INNOCENT

The gate attendant issued the receipt when admitting me from outside. I had not been inside earlier. I took Grant a settlement offer. He asked where the refund was. I asked whether he had read the offer. We each repeated our question. My presentation case contained the false certificate and my altered file; I wasn't about to leave either on a public table.

Your answer

Read only the bordered words when asked. Keep your packet facing you.
After answering, ask an unheard guest their question from the previous page.

IF INNOCENT

My entrance receipt records that first admission, not a second visit. The certificate in the sale file was false, and my alteration concealed that failure rather than curing it.

IF MURDERER

My entrance receipt documents that first admission, not a second visit. The certificate in the sale file was false, and my alteration concealed that failure rather than curing it.

The last word

Read only when the host calls you. Top three suspects read first. Use your own role's box; keep every other word private.

IF INNOCENT / READ ALOUD WHEN CALLED

I hid a failure of due diligence, and clients deserve the corrected file. But I first entered at 6:29, after the preparation room was locked with its bottle already empty. I could not personally acquire that sample. My envelope offered a settlement. Grant's talent was making a legitimate dispute sound like extortion with better stationery.

IF MURDERER / READ ALOUD WHEN CALLED

I took cyanide from the preparation shelves and hid it in my polishing cloth. While the glass was uncovered, the settlement envelope gave me a reason to stand over Grant's glass. I applied the solution inside it while arranging the papers. The pitcher stayed clean. I killed him over the ruin he threatened, then hoped everyone would blame the forged certificate.

Every selected suspect gets their final word.
