

Murder Mystery

Dinner Party 2026

Tess Tament

The Meridian Museum

October 30, 2026 / Private player packet / 1 of 12

INTRODUCTIONS

Tess Tament

Philanthropist & Heir to the Larceny Family Fortune

Tess speaks fluent inheritance and has strong opinions about the seating plan. Tess is the only member of the Larceny dynasty who can attend an arts gala without immediately being asked for a check, mostly because everyone genuinely appreciates her opinion on culture.

- Knows **Hugh Bidder** from the collector circuit. Her crush on him is the only thing capable of flustering her.
- Has commissioned work from **Dada DiCapo** and is still explaining one of the pieces to visitors.
- Asks **Mona Lott** which international exhibitions might need a generous sponsor.

ACTING TIPS

Composed, witty, guarded, generous when she chooses. You grew up around power and recognize its rituals instantly.

YOUR INTRODUCTION / READ THE BOX ALOUD

I'm Tess Tament. I represent the family foundation. Contrary to what some here may think, being related to a donor is a responsibility, not a cash machine.

Continue to your private briefing on page 3. Keep the packet facing you.

Behind the portrait

Your grievance with Grant

Grant told you he intended to rewrite the family trust tonight, removing you from control of the charitable foundation unless you publicly backed his museum naming plan.

Your other secret

You have been quietly organizing other family trustees to block Grant's control over the foundation and redirect future giving toward worker and community programs.

Conversations to start

- Find out whether Anya Tique would publicly oppose renaming the museum.
- Gauge Artie Ficial's willingness to reject Grant's conditions.

One attending guest committed the murder alone. Follow your printed account during the hearings. If a named guest is absent, speak to someone else.

By now, you should have drawn a secret animal. Memorize it and don't share it with anyone. This animal is YOUR key to knowing whether you are the murderer or innocent tonight. This will tell you which sections of this packet you can read out loud.

The game is afoot

The Meridian Museum has its share of secrets, rumors, and lost paperwork. Sixteen numbered envelopes are hidden around the museum. Their contents may significantly help you tonight. These 3 hints lead to 3 different hiding places. If you find an envelope, bring it to your seat at the table. The guest with the most envelopes will win a special prize. You may investigate together.

- 1 *A piano's electric cousin is hiding a note that cannot be played. Look beneath it.*
- 2 *Spain has a clue for you. Find Barcelona without leaving the house.*
- 3 *The blue cushion is comfortable. Its secret is not meant to stay buried.*

IF INNOCENT

Grant called me ornamental. Then he demanded my signature on the family trust. Apparently ornaments can execute legal documents. I organized the trustees against him. The money was supposed to support people, and his new plan mostly supported a very expensive sign saying GRANT. The entrance attendant admitted me for the first time at 6:31.

IF MURDERER

Grant called me ornamental while waving a trust amendment that would remove my vote. I organized the trustees against him, but he had enough signatures to destroy our plan tonight. He thought I would cry beautifully and approve the paperwork. I had finished being useful decoration. The entrance attendant admitted me for the first time at 6:17.

IF INNOCENT

The attendant checked me in from the car and issued it then. I wasn't inside earlier. I supervised the trustees' objection, including its punctuation. Grant inspected every signature as if handwriting might restore his popularity. During the trustees' meeting, my little perfume bottle stayed in my bag. I didn't need to pour anything out to make that meeting unpleasant.

IF INNOCENT

My entrance receipt records the admission I described. The trustees' objection went to Grant; my little bottle went with me. He mistook a carefully dressed woman for an agreeable signature. The objection was meant to correct that mistake in writing.

IF INNOCENT / READ ALOUD WHEN CALLED

The trustees' revolt was mine. I wanted Grant to lose control of the foundation, and I will still fight that amendment. But I entered at 6:31, after the only poison bottle was locked away empty. My receipt records an arrival, not a flattering photograph taken later. I couldn't acquire that sample. I am entirely capable of taking his money away. Killing him was never part of the campaign.

IF MURDERER / READ ALOUD WHEN CALLED

I came early, took cyanide in the preparation room, and carried it in my little bottle. At the service table I used it inside Grant's glass while laying down the trustees' objection. I approached while the glass was uncovered. Staff sealed the cover afterward. I let the staff pour and watched him toast the foundation he was stealing. I was the murderer, beautifully dressed.

Every selected suspect gets their final word.
