INTRODUCTIONS

Mona Lott

International Cultural Heritage Ambassador

Mona can turn a simple disagreement about a bowl into an international event. Mona moves between embassies, museums, ministries, and negotiation tables. Where everyone insists the issue is 'purely cultural,' Mona shows up with three lawyers and a list of demands.

- Has a long professional friendship with **Sue Venir**. Their arguments sometimes continue through dinner.
- Debates restitution policy with **Dr. Art E. Fact**, who usually brings reading material.
- Secretly wants to fool **Tess Tament** into paying millions for cheap bead necklaces from China.

ACTING TIPS

Elegant, diplomatic, strategic, warm until precision is required. You can disagree without ever sounding flustered.

YOUR INTRODUCTION / READ THE BOX ALOUD

I'm Mona Lott. I negotiate the return of precious objects. I expect several difficult conversations and at least one excellent croissant.

Continue to your private briefing on page 3. Keep the packet facing you.

Behind the portrait

Your grievance with Grant

Grant intended to announce that the Star Bowl would become a permanent Meridian holding, undermining months of quiet restitution negotiations and publicly humiliating the international partners you represent.

Your other secret

You leaked the existence of the restitution talks to selected journalists to pressure Grant, even though the negotiations were supposed to remain confidential.

Conversations to start

- Find out whether Paige Turner knows you were the leak.
- Get Sue Venir to acknowledge that the legal risk is real.

One attending guest committed the murder alone. Follow your printed account during the hearings. If a named guest is absent, speak to someone else.

By now, you should have drawn a secret animal. Memorize it and don't share it with anyone. This animal is YOUR key to knowing whether you are the murderer or innocent tonight. This will tell you which sections of this packet you can read out loud.

The game is afoot

The Meridian Museum has its share of secrets, rumors, and lost paperwork. Sixteen numbered envelopes are hidden around the museum. Their contents may significantly help you tonight. These 3 hints lead to 3 different hiding places. If you find an envelope, bring it to your seat at the table. The guest with the most envelopes will win a special prize. You may investigate together.

- 1 *Not every throne is upholstered; check the underside of a metal one.*
- 2 *The artist signed the front. Somebody else has used the space behind it.*
- 3 *From Genesis to Revelation, a familiar book offers room for one extra document.*

Your answer

Read only the bordered words when asked. Keep your packet facing you.
After answering, ask an unheard guest their question from the previous page.

IF INNOCENT

I leaked the restitution talks. Quiet diplomacy had become a polite room where Grant could keep saying no. He intended to announce permanent ownership tonight. I wanted the people represented by the collection to have a voice stronger than the donor's microphone. I broke confidentiality to obtain it.

IF MURDERER

I leaked the talks. Grant was about to turn confidential negotiations into a public declaration that nothing would ever be returned. He offered the partners a photograph beside their own heritage. I had exhausted the courteous versions of disagreement.

IF INNOCENT

I delivered the translated amendment to Grant, with a red mark across its folded signature panel. He wanted LOAN translated as PERMANENT ACQUISITION. I had already leaked the restitution talks. He mentioned discretion. I asked which language he wanted that sentence translated into. I delivered the amendment once and made no other service-table visit before the toast.

IF MURDERER

I delivered a working carbon of the translated amendment to the private service station. A red mark crossed its folded signature panel. Grant wanted LOAN translated as PERMANENT ACQUISITION. I had already leaked the restitution talks. He mentioned discretion. I asked which language he wanted that sentence translated into.

IF INNOCENT

RECEIVED stands above the paper surface on the original amendment. I watched the clerk emboss it, checked that it had not obscured LOAN, and took the amendment to Grant. The signature panel still says LOAN. I had translated the agreement he disliked.

IF MURDERER

My red pencil underlines LOAN on the carbon I delivered. I wanted Grant to read the same word in both languages. The original stayed at the desk and received its embossing afterward. He called my translation unhelpful. It was accurate.

The shared discoveries and reports remain at the Evidence Table.

The last word

IF INNOCENT / READ ALOUD WHEN CALLED

I leaked the talks and will admit that to the partners. I translated the agreement accurately. The original's RECEIVED embossing preceded my sole service visit, and that seal did not start operating until after the glass cover closed. My amendment could change the loan's meaning. It could not reach the interior of the guarded glass.

IF MURDERER / READ ALOUD WHEN CALLED

I took cyanide during the walkthrough and hid it in the loan-handling cloth. While the glass was uncovered I put the amendment beside Grant's glass and coated the glass. The sealed glass cover protected what I had done until the pour. I wanted restitution and committed murder instead. The cause cannot absolve the person who chose that act.

Every selected suspect gets their final word.
