INTRODUCTIONS

Faye Stop

Gala Photographer & Editorial Portraitist

Faye will ask you to move half an inch until the end of time. Faye photographs artists, collectors, and public figures for magazines that describe parties like tonight as 'intimate' despite inviting two hundred people.

- Has photographed several investigations for **Paige Turner**.
- **Dada DiCapo** loves Faye's work because Faye does not overdirect.

ACTING TIPS

Observant, understated, curious, visually minded. You notice who is standing with whom and what happens at the edge of a room.

YOUR INTRODUCTION / READ THE BOX ALOUD

I'm Faye Stop. I am your photographer. Give me your good side, then try not to confess anything while I have the camera up.

Continue to your private briefing on page 3. Keep the packet facing you.

Behind the portrait

Your grievance with Grant

Grant ordered you to surrender a photograph showing him meeting privately with Hugh beside a shell-company shipping file.

Your other secret

You kept a backup print after agreeing to delete the image from your camera.

Conversations to start

- Ask Paige Turner whether a photograph can be newsworthy without its owner's permission.
- Ask Hugh Bidder why a donor might object to being photographed beside a shipping file.

One attending guest committed the murder alone. Follow your printed account during the hearings. If a named guest is absent, speak to someone else.

By now, you should have drawn a secret animal. Memorize it and don't share it with anyone. This animal is YOUR key to knowing whether you are the murderer or innocent tonight. This will tell you which sections of this packet you can read out loud.

The game is afoot

The Meridian Museum has its share of secrets, rumors, and lost paperwork. Sixteen numbered envelopes are hidden around the museum. Their contents may significantly help you tonight. These 3 hints lead to 3 different hiding places. If you find an envelope, bring it to your seat at the table. The guest with the most envelopes will win a special prize. You may investigate together.

- 1 *A silent encore waits under the instrument with black and white keys.*
- 2 *The route to this discovery runs through a map of the Catalan capital.*
- 3 *Something has slipped behind the soft blue square on the seat.*

Your answer

Read only the bordered words when asked. Keep your packet facing you.
After answering, ask an unheard guest their question from the previous page.

IF INNOCENT

I kept a backup after agreeing to delete the photograph. It shows Grant and Hugh beside a shipping file. Grant demanded the image because, apparently, candid photography is excellent until the subject is candid. I had already surrendered one version of the truth. I kept another.

IF MURDERER

The backup survived. Grant threatened to have my commission canceled and my archive searched. He said the image lacked context. I offered to photograph the context too. That did not improve our conversation or his opinion of my professional future.

Your answer

Read only the bordered words when asked. Keep your packet facing you.
After answering, ask an unheard guest their question from the previous page.

IF INNOCENT

I brought the retained print to the west counter for a backing check. I waited on the corridor side of the partition while an assistant found a sleeve, then left with both print and sleeve. That exchange was the beginning and end of my visit to preparation. Grant had demanded deletion of the camera image. I had kept a separate print.

IF MURDERER

I asked conservation to check the damaged backing of my retained print. I entered by the east visitor door and collected a support sleeve from the shelves inside. Grant had demanded deletion of the camera image. He had not asked the right question about the separate print, and I hadn't volunteered the right answer.

Your answer

Read only the bordered words when asked. Keep your packet facing you.
After answering, ask an unheard guest their question from the previous page.

IF INNOCENT

The sleeve's issue line reads WEST RETURN. The assistant passed it out to me with the photograph inside. The print shows the meeting beside the shipping papers. Grant had asked about a camera file, and I let him think he had asked about every copy.

IF MURDERER

EAST VISITOR appears on the sleeve's issue line. I collected the sleeve inside. The backup is a physical print, not the deleted camera file. It shows the meeting beside the shipping papers. Grant's preference for an empty folder did not alter what the camera had seen.

The shared discoveries and reports remain at the Evidence Table.

The last word

Read only when the host calls you. Top three suspects read first. Use your own role's box; keep every other word private.

IF INNOCENT / READ ALOUD WHEN CALLED

I kept the separate print after promising to delete the camera image. That evasion was deliberate. The print deserves an explanation, not another deletion. My preparation contact was entirely outside the west return barrier. I had no access to the source shelves. Preserving evidence was my secret; poisoning the glass was not.

IF MURDERER / READ ALOUD WHEN CALLED

I took cyanide on the walkthrough and carried it in my lens cloth. While the glass was uncovered I laid the backup beside Grant's glass and applied the solution inside the glass. The sealed glass cover and later pour completed the sequence. I kept an image of his secret and created a death of my own. The photograph did not force my hand.

Every selected suspect gets their final word.
