INTRODUCTIONS

Faye Stop

Gala Photographer & Editorial Portraitist

Faye will ask you to move half an inch until the end of time. Faye photographs artists, collectors, and public figures for magazines that describe parties like tonight as 'intimate' despite inviting two hundred people.

- Has photographed several investigations for **Paige Turner**.
- **Dada DiCapo** loves Faye's work because Faye does not overdirect.

ACTING TIPS

Observant, understated, curious, visually minded. You notice who is standing with whom and what happens at the edge of a room.

YOUR INTRODUCTION / READ THE BOX ALOUD

I'm Faye Stop. I am your photographer. Give me your good side, then try not to confess anything while I have the camera up.

Continue to your private briefing on page 3. Keep the packet facing you.

Behind the portrait

Your grievance with Grant

Grant ordered you to surrender a photograph showing him meeting privately with Hugh beside a shell-company shipping file.

Your other secret

You kept a backup print after agreeing to delete the image from your camera.

Conversations to start

- Ask Paige Turner whether a photograph can be newsworthy without its owner's permission.
- Ask Hugh Bidder why a donor might object to being photographed beside a shipping file.

If a named guest is absent, speak to someone else. Your printed account may conceal another scandal, even if you are innocent. Stick to it during the hearings; save corrections for Coming Clean.

Memorize your animal and return the slip. When the host announces the selected animal, use IF MURDERER if it matches yours; otherwise use IF INNOCENT. Never read an IF heading aloud.

The museum has misplaced its paperwork. Naturally.

Sixteen numbered envelopes are hidden around the house. These three hints lead to three different hiding places. Leave the furniture and household objects where they are. Bring an envelope to the Evidence Table; read and share the discovery inside.

- 1 *The route to this discovery runs through a map of the Catalan capital.*
- 2 *Something has slipped behind the soft blue square on the seat.*
- 3 *A silent encore waits under the instrument with black and white keys.*

Already found? Read that discovery at the Evidence Table, then try another hint. Ask for help reaching a hiding place; nobody needs to climb. You may investigate together.

ACT II: OPPORTUNITY

Faye Stop

Your answer

Read only the bordered words when asked. Keep your packet facing you. After answering, ask an unheard guest their question from the previous page.

IF INNOCENT

My camera logged 6:35 when I photographed the back of the mount inside the alcove. At about 6:45 I was taking balcony photographs. I kept a different print Grant wanted destroyed. It does not suddenly vanish because the subject dislikes the lighting.

IF MURDERER

I went inside the Star Bowl alcove to photograph the bowl through the opening in the sliding glass front. That was about 6:44; I checked my watch. The beautiful front already had enough admirers. I had delivered the donor photographs to his salon.

You can ask someone to repeat a detail. Discuss your suspicions after everyone has answered.

Your answer

Read only the bordered words when asked. Keep your packet facing you.
After answering, ask an unheard guest their question from the previous page.

EVERYONE / READ ALOUD

I kept a backup of the photograph Grant told me to delete. I agreed to remove the camera copy; the print survived. I also photographed the mount during setup. There are times in the camera records that can be checked, and household-looking clocks in pictures that should not be treated as camera records. A photograph is evidence. The subject's irritation is not a correction.

The last word

Read only when the host calls you. Top three suspects read first. If none confesses, the host calls the selected animal to stand. Use your own role's box; keep every other word private.

IF INNOCENT / READ ALOUD WHEN CALLED

I kept a backup photograph Grant ordered deleted. My account of the evening was true. My late task was outside the sealed display alcove. Any inspection I made inside it was earlier, before the emergency closure. My concealed business explains the suspicion around me. I did not poison Grant, and I will answer for my own secret without accepting his murder.

IF MURDERER / READ ALOUD WHEN CALLED

He asked me to delete the wrong photograph. I photographed Grant meeting Hugh beside a shell-company shipping file. Grant ordered me to surrender the photograph. I agreed to delete it from my camera, but kept a backup print. I was not comfortable letting him decide which pictures could exist. I stole the toxin and wiped it inside Grant's empty coupe with museum linen before the cordial was poured. I invented a late alcove visit from the old programme and enclosed-cabinet drawing. I had missed both the early closure and the open-cradle installation. Others lied about their times to hide scandals; my claimed work never happened at all. I was at Grant's glass instead. I acted alone. I poisoned Grant Larceny.

Every selected suspect gets their final word.
