

Rafael Gilt

Chief Conservator / Age 39

Rafael is responsible for keeping centuries-old objects from losing arguments with humidity, fingerprints, gravity, and other people. Patient with objects and less patient with humans, he has the calm authority of someone who has seen a priceless painting survive a flood and a donor nearly destroy one with hand lotion. He knows what was repaired, altered, cleaned, and quietly worried over before tonight.

- Works closely with Celeste Frame and Calvin Case.
- Often spars intellectually with Marcus Pryce over what conservation can and cannot prove.
- Beatrice Plinth trusts Rafael's judgment more than most committees.

ACTING TIPS

Dry, meticulous, tactile, slightly territorial. You care more about what is physically true than what is socially convenient.

COSTUME SUGGESTIONS

Optional inspiration: Dark suit or smart workwear made gala-appropriate; rolled sleeves under jacket, conservator gloves tucked into a pocket, loupe or small brush as a prop.
