

Chip Patina

Chief Conservator

Chip considers a fingerprint on a display case a personal attack. Chip is responsible for keeping centuries-old objects from losing arguments with humidity, fingerprints, gravity, and other people.

- Works with Claire O'Scuro on the care and display of the collection.
- Argues with Dr. Art E. Fact about what the physical evidence can actually prove.
- Advises Elle Loominate on displaying fragile textiles. Elle listens, then asks for a less ugly support.

ACTING TIPS

Dry, meticulous, tactile, slightly territorial. You care more about what is physically true than what is socially convenient.

COSTUME SUGGESTIONS

Dark suit or smart workwear made gala-appropriate; rolled sleeves under jacket, conservator gloves tucked into a pocket, loupe or small brush as a prop.
