

Chip Patina

Chief Conservator

Chip considers a fingerprint on a display case a personal attack. Chip is responsible for keeping centuries-old objects from losing arguments with humidity, fingerprints, gravity, and other people.

- Works closely with Claire O'Scuro and Cary Crates.
- Often spars intellectually with Dr. Art E. Fact over what conservation can and cannot prove.
- Anya Tique trusts Chip's judgment more than most committees.

ACTING TIPS

Dry, meticulous, tactile, slightly territorial. You care more about what is physically true than what is socially convenient.

COSTUME SUGGESTIONS

Optional inspiration: Dark suit or smart workwear made gala-appropriate; rolled sleeves under jacket, conservator gloves tucked into a pocket, loupe or small brush as a prop.
