

Vincent Van Faux

Celebrated Contemporary Painter

Vincent believes even his shopping lists belong in a retrospective. Vincent became famous young and has been trying ever since to convince people that this is not the same thing as becoming famous accidentally.

- Long creative history with Dada DiCapo.
- Al Baster thinks Vincent gets too much press for work that can hang on a wall without engineering permits.
- Ella Gance owns one of Vincent's early paintings and mentions this strategically.

ACTING TIPS

Warm, competitive, mercurial, self-aware enough to joke about his ego but not enough to lose it.
