

Frank Lloyd Wrong

Exhibition Architect & Designer

Frank considers doors a regrettable compromise in an otherwise excellent wall. Frank designed the physical experience of Treasures of the World: every wall angle, sight line, spotlight, pedestal, and dramatic reveal.

- Creative rival of sculptor Al Baster after a very public argument about scale.
- Works constantly with Minnie Malist, who keeps trying to add flowers where Frank designed negative space.
- Chip Patina has veto power over several of Frank's more adventurous display ideas.

ACTING TIPS

Aesthetic, controlled, mildly pretentious in a lovable way, easily offended by bad placement rather than bad manners.

COSTUME SUGGESTIONS

Optional inspiration: Architectural formalwear: monochrome suit, turtleneck with jacket, sharply cut black attire, interesting glasses, rolled plans or a small laser measure prop.
