

Frank Lloyd Wrong

Exhibition Architect & Designer

Frank considers doors a regrettable compromise in an otherwise excellent wall. Frank designed the physical experience of Treasures of the World: every wall angle, sight line, spotlight, pedestal, and dramatic reveal.

- Chip Patina can veto Frank's display designs. Frank tends to take the veto personally.
- Elle Loominate has worked on Frank's exhibition spaces. They vehemently disagree about how much room a textile needs.
- Dada DiCapo once described one of Frank's galleries as "an expensive corridor." Frank remembers the review.

ACTING TIPS

Aesthetic, controlled, mildly pretentious in a lovable way, easily offended by bad placement rather than bad manners.

COSTUME SUGGESTIONS

Architectural formalwear: monochrome suit, turtleneck with jacket, sharply cut black attire, interesting glasses, rolled floor plans or a small laser measure prop.
