

Murder Mystery

Dinner Party 2026

Chip Patina

The Meridian Museum

October 30, 2026 / Private player packet / 1 of 12

INTRODUCTIONS

Chip Patina

Chief Conservator

Chip considers a fingerprint on a display case a personal attack. Chip is responsible for keeping centuries-old objects from losing arguments with humidity, fingerprints, gravity, and other people.

- Works closely with **Claire O'Scuro** and **Cary Crates**.
- Often spars intellectually with **Dr. Art E. Fact** over what conservation can and cannot prove.
- **Anya Tique** trusts Chip's judgment more than most committees.

ACTING TIPS

Dry, meticulous, tactile, slightly territorial. You care more about what is physically true than what is socially convenient.

YOUR INTRODUCTION / READ THE BOX ALOUD

I'm Chip Patina. Please admire the art without touching it. That includes touching it to demonstrate that you are not touching it.

Continue to your private briefing on page 3. Keep the packet facing you.

Behind the portrait

Your grievance with Grant

Grant pressured you to soften a conservation report showing that one supposedly untouched object had been recently altered. He threatened to replace you with a private conservator if you refused.

Your other secret

You changed the date on a minor treatment record last month to spare the museum an embarrassing insurance dispute. No object was harmed, but the falsification could end your career.

Conversations to start

- Find out whether Cary Crates has noticed the altered treatment date.
- Ask Dr. Art E. Fact what he thinks the Star Bowl's modern adhesive means.

If a named guest is absent, speak to someone else. Your printed account may conceal another scandal, even if you are innocent. Stick to it during the hearings; save corrections for Coming Clean.

Memorize your animal and return the slip. When the host announces the selected animal, use IF MURDERER if it matches yours; otherwise use IF INNOCENT. Never read an IF heading aloud.

HUNT FOR CLUES

Chip Patina

The museum has misplaced its paperwork. Naturally.

Sixteen numbered envelopes are hidden around the house. These three hints lead to three different hiding places. Leave the furniture and household objects where they are. Bring an envelope to the Evidence Table; read and share the discovery inside.

- 1 *Black and white keys make music. Their underside keeps quieter company.*
- 2 *Take a paper journey to the city of Gaudí; your reward rests on its map.*
- 3 *Important information can be found in the coldest room that fits inside a kitchen.*

Already found? Read that discovery at the Evidence Table, then try another hint. Ask for help reaching a hiding place; nobody needs to climb. You may investigate together.

**STOP! Do not turn the page yet.
Wait for the host to announce the next round.**

EVERYONE / READ ALOUD

There is damage, and then there is dishonesty. My report showed that a supposedly untouched object had been altered recently. Grant wanted that softened. He threatened to replace me with a private conservator. I preserve objects; I am not employed to preserve his version of events.

You can ask someone to repeat a detail. Discuss your suspicions after everyone has answered.

ACT II: OPPORTUNITY

Chip Patina

Your answer

Read only the bordered words when asked. Keep your packet facing you. After answering, ask an unheard guest their question from the previous page.

IF INNOCENT

I went inside the Star Bowl alcove to check the padding on the open steel cradle. That was about 6:43; I checked my watch. “Probably secure” is not a conservation standard. I had an insurance record I would rather Grant did not quote. I left my condition finding beside Grant’s speech in the salon.

IF MURDERER

I went inside the Star Bowl alcove to oil the front glass runner so the pane would slide without sticking. That was about 6:43; I checked my watch. “Probably secure” is not a conservation standard. I left my condition finding beside Grant’s speech in the salon.

You can ask someone to repeat a detail. Discuss your suspicions after everyone has answered.

EVERYONE / READ ALOUD

Last month I changed a date on a minor treatment record to avoid an insurance dispute. No object was harmed. That does not excuse the false record. Grant knew about it and could have ended my career with one telephone call.

COMING CLEAN

Chip Patina

The last word

Read only when the host calls you. Top three suspects read first. If none confesses, the host calls the selected animal to stand. Use your own role's box; keep every other word private.

IF INNOCENT / READ ALOUD WHEN CALLED

I changed the date on a treatment record to avoid an insurance dispute. I changed the time of my inspection to cover that secret. The real job was to check the padding on the open steel cradle. I did it before the curtain closed, not at the late time I gave you. The work was real; my timetable was dishonest. I did not poison Grant Larceny.

IF MURDERER / READ ALOUD WHEN CALLED

There is damage, and then there is dishonesty. My report showed that a supposedly untouched object had been altered recently. Grant wanted that softened. He threatened to replace me with a private conservator. I preserve objects; I am not employed to preserve his version of events. I stole the toxin and wiped it inside Grant's empty coupe with museum linen before the cordial was poured. I invented a late alcove visit from the old programme and enclosed-cabinet drawing. I had missed both the early closure and the open-cradle installation. Others lied about their times to hide scandals; my claimed work never happened at all. I was at Grant's glass instead. I acted alone. I poisoned Grant Larceny.

Every selected suspect gets their final word.
