A sale certificate was forged before it reached me. Grant knew that, but he planned to blame me unless I refunded millions. I did not forge it. I did alter my file afterward to hide how badly my checks had failed. During setup I borrowed the cabinet key and took the toxin sample. At 6:46, I used the excuse of delivering a revised appraisal to enter the salon. I dampened my gold-seamed linen with the sample and wiped the inside of Grant's coupe and its rim. That transferred the poison. I left with the cloth. The door entry, key loan and linen receipt were all real. What I left out was what I did between them.
