Grant intended to make the Star Bowl a permanent Meridian holding. That would destroy months of restitution negotiations and humiliate the international partners I represent. He wanted an announcement before anybody could challenge his claim. I wanted him to stop. During setup I borrowed the cabinet key and took the toxin sample. At 6:44, I used the excuse of delivering the restitution memorandum to enter the salon. I dampened my gold-seamed linen with the sample and wiped the inside of Grant's coupe and its rim. That transferred the poison. I left with the cloth. The door entry, key loan and linen receipt were all real. What I left out was what I did between them.
