

Faye Stop

Your grievance with Grant

Grant ordered you to surrender a photograph showing him meeting privately with Hugh beside a shell-company shipping file.

Your other secret

You kept a backup print after agreeing to delete the image from your camera.

Three things to try before dinner

1. Introduce yourself to someone you do not already know. Your role and pre-party sheet are enough.
2. Protect your private complication until you decide disclosure helps you.
3. Use your public relationships to trade information rather than waiting for clues to come to you.

When a named contact is absent, discuss that issue with any guest. No task blocks the investigation.

Private background can be shared or withheld. Later hearings tell you exactly what must be said. No crime confession is printed in these four play pages.

Round 1 / Motive

When questioned, read your answer. It is the same whether you are innocent or the murderer.

READ ALOUD / YOUR ANSWER

I photographed Grant meeting Hugh beside a shell-company shipping file. Grant ordered me to surrender the photograph. I agreed to delete it from my camera, but kept a backup print. I was not comfortable letting him decide which pictures could exist.

Your next action

Ask the next seated guest their named Motive question in the question catalog. Note one grievance that might matter. Wait for the host before turning the page.

Round 2 / Opportunity

When questioned, read the answer for your role. Keep the section labels to yourself.

IF INNOCENT

I went into the Donor Salon at 6:36, asking him about my photograph. I did not go back after that. I borrowed the cabinet key during setup to inspect the display-cleaning sample stored inside.

IF MURDERER

I went into the Donor Salon at 6:36, asking him about my photograph. I did not go back after that. I borrowed the cabinet key during setup to inspect the display-cleaning sample stored inside.

After answering, ask the next seated guest their named Opportunity question in the catalog. Wait for the host before turning the page.

Round 3 / Method

Open your EVIDENCE envelope. Choose privately: IF INNOCENT = Card A; IF MURDERER = Card B. Submit only that letter. Keep the unused card hidden. Do not choose according to what looks safer.

When questioned, read your answer below, then your selected receipt. Leave the unused card hidden.

IF INNOCENT

I carried a white linen cloth with a gold seam, for cleaning the outside of my camera case. That was what the materials desk issued me.

IF MURDERER

I carried a white linen cloth with a gold seam, for cleaning the outside of my camera case. That was what the materials desk issued me.

Put the read receipt on the Evidence Table. Discuss, then vote privately. The host will distribute FINALE envelopes only after collecting all ballots.
