Faye Stop

Gala Photographer & Editorial Portraitist

Faye will ask you to move half an inch until the end of time. Faye photographs artists, collectors, and public figures for magazines that describe parties like tonight as 'intimate' despite inviting two hundred people.

- Has photographed several investigations for **Paige Turner**.
- **Dada DiCapo** loves Faye's work because Faye does not overdirect.
- **Ella Gance** always knows which side Faye is shooting from.

ACTING TIPS

Observant, understated, curious, visually minded. You notice who is standing with whom and what happens at the edge of a room.

YOUR INTRODUCTION / READ THE BOX ALOUD

> I'm Faye Stop. I am your photographer. Give me your good side, then try not to confess anything while I have the camera up.

Continue to your private briefing on page 3. Keep the packet facing you.

Behind the portrait

Your stake tonight

Keeps a last photograph of someone she loved; knows an image can be cherished without being honest. Commercial retouch compromised that belief.

During the investigation

Everyone has something to hide. Your printed account may protect a personal secret. Read your selected box as written; do not invent events, witnesses or evidence.

Conversations to start

- Mingle using the relationships on your introduction page.
- Keep your private branch readings for their announced rounds.

One attending guest committed the murder alone. Follow your printed account during the hearings. If a named guest is absent, speak to someone else.

By now, you should have drawn a secret animal. Memorize it and don't share it with anyone. This animal is YOUR key to knowing whether you are the murderer or innocent tonight. This will tell you which sections of this packet you can read out loud.

The game is afoot

The Meridian Museum has its share of secrets, rumors, and lost paperwork. Sixteen numbered envelopes are hidden around the museum. Their contents may significantly help you tonight. These 3 hints lead to 3 different hiding places. If you find an envelope, bring it to your seat at the table. The guest with the most envelopes will win a special prize. You may investigate together.

1 *A silent encore waits under the instrument with black and white keys.*

2 *The route to this discovery runs through a map of the Catalan capital.*

3 *Something has slipped behind the soft blue square on the seat.*

Your answer

Read only the bordered words when asked. Keep your packet facing you. After answering, ask an unheard guest their question from the previous page.

IF INNOCENT

> Grant wanted my originals. One showed him with the bowl consultant he denied meeting. His agency had a commercial retouch I'd allowed to pass as editorial. He offered to forget that if I forgot the unused frames. I keep one last picture of someone I loved. It's badly lit. I know what an honest picture can matter to a person. I sold that principle rather cheaply.

IF MURDERER

> Grant wanted my originals. One showed him with the bowl consultant he denied meeting. His agency had the commercial retouch I'd passed off as editorial. He could ruin my credibility with it. I keep one last picture of someone I loved. It's badly lit. He wanted me to hand over a real moment so he could decide who was allowed to see it.

IF INNOCENT

Ella's crop went to the agency. I kept the whole gallery frame and the wide preview image. Barb barred outside camera crews from the donor room, not service. I photographed the delivered toast from the public reception. Grant looked toward the camera. I told him half an inch. He moved. It was an ordinary exchange. I can't make it feel ordinary now.

IF MURDERER

Ella's crop went to the agency. I kept the whole gallery frame and the preview image. Barb kept outside crews out of the private room. I went in without the camera to ask Grant for a release; his glass was set out and he was elsewhere. I waited. Later I photographed the delivered toast from the public reception. He looked at the lens. I said half an inch. He moved. I keep hearing myself giving him that stupid little instruction.

IF INNOCENT

> The picture editor copied the whole card after the preview, before returning it. The bottle was already in that original frame. The toast picture came later, from the public reception; it isn't in the earlier import. Would you stop watching my hands? I know they shake. I normally put a camera between myself and a room. I can't do that tonight.

IF MURDERER

> I added the bottle to the preview export. It wasn't in the original wide frame; the physical loan had been withheld. The publicity needed a complete-looking arrangement. My corrected commercial retouch is a separate file. Would you stop watching my hands? I know they shake. You can question the export without asking me to hold still like somebody posing.

The shared discoveries and reports remain at the Evidence Table.

IF INNOCENT / READ ALOUD WHEN CALLED

I did not kill Grant. The editor's copied card contains the bottle before my export. The later toast frame shows the glass he used. I let another commercial image be described as editorial; the client now has both versions. I won't ask them to forget it. Ella, choose whichever side you like next time. I would like to take one picture that nobody has negotiated first.

IF MURDERER / READ ALOUD WHEN CALLED

I killed Grant. I did not insert the bottle into the preview export. It was in the original frame from the camera, on the actual support. I took its poison during that preview and later used the waiting glass. I tried to turn the strongest ordinary picture of source access into a publicity composite. The picture editor had copied and kept the card before I made the export. That source contradicted my story. Grant had my earlier retouch and the reputation I had built on a cleaner description of it. I kept everyone else's moments and tried to erase my own. There is no crop small enough to remove what I did.

Every selected suspect gets their final word.
